

# HOW PARENTS CAN SUPPORT THE DEVELOPMENT OF HEALTHY SEXUALITY

AN ONLINE CONVERSATION WITH  
**LISA ROMERO**

Join us for a special parent lecture where Lisa Romero will explore how we can support and deepen young people's healthy relationship to themselves and encourage greater understanding, mutual respect and compassion for the other members of their class, school, and larger community.

We will look at how and when we work with adolescents to bring the understanding of sexuality in a way that is meaningful and relevant to their consciousness and period of development. This brings harmony between their evolving bodies and inner experiences that sets the ground for healthy adult experience.
