

RUDOLF STEINER SCHOOL
NEW YORK CITY

EXTRACURRICULAR OFFERINGS

2024-2025

Rudolf Steiner School is delighted to provide students in grades 1 – 6 with opportunities to participate in various extracurricular offerings before and after school. These programs are open to all Rudolf Steiner School students currently enrolled in the indicated grades listed for each course. These offerings are an extension of our regular school day programs and are designed to enhance the overall school and curricular experiences of every child.

Extended Day Workshops

Extended Day workshop options for Lower School students are held in trimester sessions. Students may sign up for the same workshop for all three trimesters or select different options. It is a way to learn a new skill, unwind, and spend time with friends. For programs other than AfterCare, please sign up as promptly as possible, as we can only offer classes that have a minimum enrollment of 6 students. **Except where noted, materials will be provided by each program. Snacks will be offered to participants from 3:00 – 3:30; please be prompt for pick-up between 5:00 – 5:30pm. Families with Tuition Assistance, please contact the Business Office at gsoh@steiner.edu for financial assistance.**

Space is limited, so sign up quickly!
